

RECYCLING WITH ROGER RACCOON AND MINDY'S DEN

We will experiment with alternate energy sources- wind energy and make puff mobiles, make a hydropower wheel, experiment with geothermal and complete an upcycled craft.

Reduce energy use with wind and create a puff mobile

Reduce energy use by using hydropower and make a water wheel

Reduce energy use and experiment with geothermal energy

Reuse Repurpose Recycle-make an upcycled craft-

craft project will change based on available materials

Find a class near you or call to schedule
for your group

Great for ages 6-10
90 minute drop off class
